This article was originally published online on 13 September 2013 with the following errors:

- On p. 104315-1, in the third and fourth lines from the bottom of the right column, “para- and ortho-nuclear” should read “para and ortho nuclear.”
- On p. 104315-5, at the end of the first full paragraph in the right column, “Sec. III” should read “Sec. III B.”
- On p. 104315-7, in the second line in the right column, “which be traced” should read “which can be traced.”
- In Ref. 10, the authors should be “I. S. Averbukh, S. Fleischer, and Y. Prior.”
- In Ref. 12, the authors should be “M. Leibscher and T. Grohmann.”
- In Ref. 13, the authors should be “Y. Khodorkovsky, J. R. Manson, and I. S. Averbukh.”
- In Refs. 14 and 15, the authors should be “I. S. Averbukh and E. Gershanel.”
- The hyperlink to the cited article was missing from Ref. 25.
- In Ref. 38, the author “S. Guerin” should be “S. Guérin.”
- In Ref. 39, the author “G. Perez-Hernandez” should be “G. Pérez-Hernández,” and “L. Gonzalez” should be “L. González.”

All online versions of the article were corrected on 18 September 2013; the article was correct as it appeared in the printed version of the journal.
